13 Cr. 242 (SAS)

Dear Judge Scheindlin:

The Government writes to respectfully request an adjournment of the deadline for filing the request to charge and voir dres in this case which are due on June 6, 2014. The defendants remaining in the case do not object. This case is scheduled to begin trial on July 7, 2014. The Government is requesting this adjournment, in part, because during the past several weeks, it has narrowed the scope of this case and had productive plea discussions with the majority of the defendants. In particular, at this point, ten of the twenty-eight defendants have already pleaded guilty, one more is scheduled to plead tomorrow, two are scheduled to plead next week with additional pleas anticipated, and the Government is having plea discussions with all remaining other defendants that will likely result in pleas. The Government requests an additional two weeks, until June 20, 2014 to file the proposed request to charge and voir dire. Thank you for your consideration of these matters.

Respectfully submitted,  
PREET BHARARA  
United States Attorney
